Commissioner for Patents

The reply filed on April 30, 2007 is not fully responsive to the prior Office Action because of the following matter(s): Since the amendment(s) filed on April 30, 2007 raise new issues that would require broadening the search field (for example, the newly added limitation of, wherein the first an second logical unit numbers are different from each other and become related according to the mapping, requires broadening the search field), this amendment will be treated as an improper reply. See MPEP § 708.02(VIII)(C) (under the special examining procedures). Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
